PROFILE

Michael joined Farmanco in 2020 as a Management Consultant to follow his passion in working closely with growers on their farm businesses and consulting to clients from the Central Midlands through to the upper Great Southern.

Raised in WA, Michael headed interstate and obtained a Bachelor of Agricultural Science from The University of Melbourne, before embarking on a 16 year career in agribusiness banking.

Michael is passionate about agriculture and is highly driven to assist growers in optimising business productivity, planning for the future, and achieving their goals.
